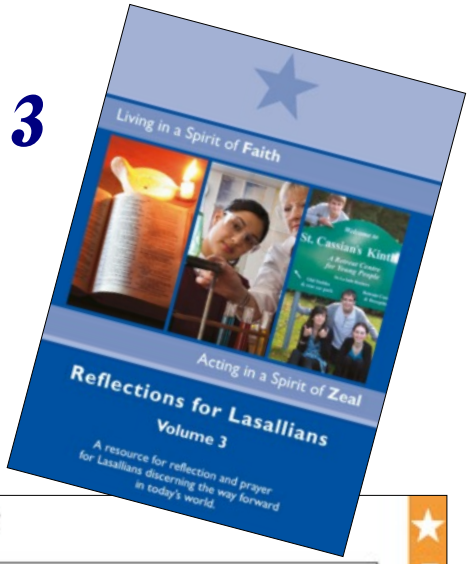
Reflections for Lasallians - Volume 3

Compiled by the Lasallian Association of Great Britain



The vision behind the creation of this prayer book, 'Reflections for Lasallians', has been to bring together writings which speak of our distinctively Lasallian focus. This book has been compiled over many years by a team of people representing the different branches of the Lasallian family. The team found it difficult to pinpoint exactly how they had been influenced and inspired by the significant experiences that had shaped them as Lasallians. As they shared their experiences they found twelve themes that resonated with all of them because they represented what for them was distinctive about Lasallian spirituality. These twelve themes became the foundation stones of this prayer book and now the team wish to offer it to you in a spirit of faith and zeal, that it may deepen your spiritual life and enrich your vocation as a Lasallian.

The entire prayer book comes in four volumes. Each volume is divided into three of the twelve foundation themes that make up the entire book. **Volume three is now available** and contains the following themes:

- Together and by Association
- Respecting Others
- Loving the Vulnerable Self

The remaining fourth volume will be available in 2014. Many Lasallians have enjoyed using the previous two volumes for personal prayer, shared prayer or just as a resource within the school context, and so again we expect a high demand for Volume Three. Therefore we urge you to order early and avoid disappointment.

These 'Reflections' are for private circulation and not for sale. We are hoping, however, to ensure that the Province of Great Britain and Malta does not incur a heavy expenditure. As a guide to those willing and able to make a contribution we would cover costs at £4 per copy.

ORDER
Reflections for Lasallians Volume 3

Copies Required

Suggested donation £4 per book.

Please make cheques payable to **De La Salle Brothers** (sterling only).
