

Greetings,

We hope this letter finds you healthy and happy!

The Regional Young Lasallians Committee of the Lasallian Region of North America (RELAN) is proud to announce the 3rd Annual “Spring into Action” initiative scheduled **March 15- April 30, 2014**. Last year many of you participated in “Spring into Action” and we’re hoping for even more participation this year!

“Spring into Action” is an initiative that highlights service that occurs within our Lasallian Ministries. We have an informational “Spring into Action” video available at <https://vimeo.com/channels/692508>. There are so many wonderful service trips and opportunities that occur during the year. “Spring into Action” is a time where we can celebrate service and do something for others! We’re asking you to join other Lasallians in service by participating in a volunteer/service activity. You can create something new or join an event that is already planned!

Be sure to share with us how you participated in “Spring into Action”. Here’s how:

- Twitter – We have a “Spring into Action” hash tag - #springintoaction14. Be sure to share a picture of your service and include the hash tag. Our Twitter handle is yl_relan.
- Facebook – Post a picture and caption to our Facebook page Young Lasallians RELAN. We will be shining a service spotlight on our Ministries during this time.
- We have a social media how-to video available at <https://vimeo.com/channels/692508>
- You could also send your pictures and stories to us by e-mailing committee member Brad Marchese at bradm@stpauls.com.

We invite you to learn more about Young Lasallians in RELAN, the Regional Young Lasallians Committee, and who your local representative is by visiting us on the web at <http://lasallian.info/lasallian-family/young-lasallians/>.

In conclusion, we would like to say “thank you”. Thank you for your work with and as Young Lasallians. We continue to energetically “Build Hope Together” as a network of Lasallians.

In caring and service,
The Regional Young Lasallians Committee
