Prayer for the District of San Francisco New Orleans

Wise and gentle God, we come to you with
a great desire to unite our desire with yours for us.
You have entrusted our District
to us as homeland and vineyard to work for
the salvation of young people, especially the poor
and those on the margins.

In gratitude of our past,
and as we envision a new future,
guide our discernment to best respond to the needs
you have entrusted to our care.

Send your Spirit upon our expanded homeland.
"Recreate the face" of our District
in keeping with the desires of Your heart,
such that our lives will continue to be Your "Yes" to the world.

We are yours, and this work is Yours. Amen.

St. John Baptist de La Salle, pray for us.
Live Jesus in our hearts forever.
