12	13	14	15 Social media is an incredible tool to motivate others to take action in our communities. Post or Tweet today about service in your community. #springintoaction17	16 I know of no great man except those who have rendered great services to the human race. — Voltaire	17 Social media is not about the exploitation of technology but service to community. See what others are doing on Twitter @YL_RELAN	18 Sometimes our light goes out but is blown into flame by another human being. Each of us owes deepest thanks to those who have rekindled this light. — Albert Schweitzer
19 How do you foster service in your community? What can you do to pray and act for justice for all people? #springintoaction16	20 Speak gentle words, encouraging words, healing words, speak with the lips of Christ. Touch so tenderly, dry the tears, embrace with joy - touch with the hands of Christ.	21 "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." — Margaret Mead	22 The life of a man consists not in seeing visions and in dreaming dreams, but in active charity and in willing service. — Henry Wadsworth Longfellow	23 What service projects have you been involved with in your community? Let other people know about it on Twitter: #springintoaction16	24 Give what you have to somebody, it may be better than you think. — Henry Wadsworth Longfellow	25 While I am a servant may I be a student as well, willing to learn and to grow in my understanding of life and your purposes in the world about me.
26 Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. — Dr. Seuss	27 "Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love." — Martin Luther King Jr.	28 Example makes a much greater impression on the mind and heart than words. This is especially true of children (who) model themselves on the example of their teachers.	29 Only a life lived in the service to others is worth living. — Albert Einstein	30 Be of service. Whether you make yourself available to a friend or co-worker, or you make time every month to do volunteer work, there is nothing that harvests more of a feeling of empowerment than being of service to someone in need. — Gillian Anderson	31 "I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy." — Rabindranath Tagore	1 I am grateful, my loving God, for my sphere of service, for a place to put my feet, for wheels to shoulder and burdens to carry and loves to touch in the course of my daily duties.
