

Greetings fellow Lasallians,

The Regional Council of Young Lasallians of the Lasallian Region of North America (RELAN) is proud to announce the 6th Annual “Spring into Action” initiative scheduled **March 15- April 30, 2017**. Last year many of you participated in “Spring into Action” and we’re hoping for even more participation this year!

“Spring into Action” is an initiative that highlights service that occurs within our Lasallian ministries. There are so many wonderful service trips and opportunities that occur during the year. “Spring into Action” is a time where we can celebrate service and do something with others! We’re asking you to join other Lasallians in service by participating in a volunteer/service activity. You can create something new or join an event that is already planned!

Be sure to share with us how you participated in “Spring into Action”. Here’s how:

- Twitter/ Facebook – tag your activities #springintoaction17.
- Be sure to share a picture of your service with the hash tag or @yl_relan.
- You could also send your pictures and stories to us by e-mailing council member Dustin Perry at dperry@cbhs.org.

We invite you to learn more about Young Lasallians in RELAN, the Regional Council of Young Lasallians, and who your local representative is by visiting us on the web at <http://lasallian.info/lasallian-family/young-lasallians/>.

Thank you in advance for your participation in “Spring into Action” and for your work as Young Lasallians. We continue to energetically “Build Hope Together” in our global community.

Together and by Association,
The Regional Council of Young Lasallians
