

This is an initiative by the RCYL designed to highlight service in our communities and in our world through prayer, discussion, activity, and communication.

As a regional, district, or local representative of Young Lasallians, you should make a concerted effort to utilize the resources provided to accomplish the following tasks:

- Distribute toolkit to all Young Lasallian contacts.
Toolkit includes: prayers, prayer card, poster, calendar, letter.
- Display posters to ensure promotion of the theme in your community.
- Share 2-3 service events from your community on social media using the hashtag #springintoaction2018. You could also send your pictures and stories to us by e-mailing council member Dustin Perry at dperry@cbhs.org.
- Incorporate the theme of service into ongoing activities at your institution.
- Plan a prayer service using the materials provided in the toolkit and/or distribute prayer cards in your community.
- Like us on Facebook @YoungLasalliansRELAN or follow us on Twitter @yl_RELAN and Instagram @yl_relan; like, repost, and share any interesting or relevant events to your local and ministry pages.
