Note: Although legal and financial responsibility for a school usually rests with an independent Board of Trustees, canonical responsibilities for each Catholic institution belong to a canonical juridic person, often through the Member or Members of the Corporation. Please choose the appropriate entity with canonical responsibility for the school:

- 1) **FSC:** Refers to schools for which a District of the Brothers of the Christian Schools has canonical responsibility.
- 2) **Diocese:** Refers to schools for which a diocese has canonical responsibility (that is, both diocesan and parish schools).
- 3) **Other:** Neither (1) or (2) - Includes schools for which another religious institute or organization has canonical responsibility.

Part Two covers "Educational Centers" which submitted data. It includes only those child care institutions, group homes, retreat centers, and alternative programs listed at the end of Part Two.

Table 25. Canonical "Ownership" of Educational Centers (Cf. Note)

Note: Although legal and financial responsibility for an educational center often rests with an independent Board of Trustees, canonical responsibilities for each Catholic institution belong to a canonical juridic person, often through the Member or Members of the Corporation. Please choose the appropriate entity with canonical responsibility for the educational center:

- 1) **FSC:** Refers to centers for which a District of the Brothers of the Christian Schools has canonical responsibility.
- 2) **Diocese:** Refers to centers for which a diocese has canonical responsibility.
- 3) **Other:** Neither (1) or (2).
