

Development Assistant

Christian Brothers Conference (CBC) is seeking a Development Assistant to provide leadership to the overall data management and integrity processes of the organization's DonorPro/Salsa database. This role will help the organization communicate with our constituents, track donations, and register conference attendees, with an eye toward maintaining and ensuring data accuracy. He/she will take pride in a clean database and will work cross-functionally with all CBC departments to support their varied data needs. Reporting directly to the Director of Development, the Development Assistant will have a deep understanding of the organization's data and play a vital role in operations. Additionally, the Development Assistant will conduct foundation grant research and assist with grant applications and reports.

Christian Brothers Conference provides programming and support for the Districts and the more than 100 ministries in the Lasallian Region of North America (U.S. and Canada) of the Institute of the Brothers of the Christian Schools (De La Salle Christian Brothers). Lasallian education is rooted in the vision and innovations of Saint John Baptist de La Salle, patron saint of teachers, who founded the Institute in 1680. The Lasallian educational mission provides transformative experiences that are innovative and holistic.

Responsibilities

- Ensure that all organizational data management needs are met and effective processes are designed for acquiring, cleansing, and integrating external and internally generated data
- Assume overall responsibility for day-to-day DonorPro/Salsa operation and maintenance, including:
 - Entering all new data, correcting and removing existing data as needed
 - Management and prioritization of ongoing support requests and administrative needs of other users
 - Developing and frequently using quality control reports and processes to continuously monitor data quality and integrity
 - Assisting users with report design and management
 - Identifying areas for process improvement and implementing solutions
 - Overseeing and performing the data import and verification process for all records and associated data fields
 - Generating database reports including acknowledgement letters, name badges, labels, etc.
- Assist Director of Development with foundation grant research
- Assist Director of Development in preparing and submitting grant applications and grant reports

- Answer doorbell and phone calls, transfer calls to requested colleague
- Support and actively build an office culture dedicated to superior customer service that exceeds expectations
- Work within the team and among teams to ensure that decisions are made to further the organization's mission and goals
- Assist senior staff with administrative tasks and duties as requested
- Assume other responsibilities as assigned

Skills and Experience

- Database administration experience
- Excellent computer skills, databases, Microsoft Office, etc.
- Meticulous attention to detail and strong organizational skills
- Strong problem-solving skills
- Excellent customer service orientation
- Demonstrated ability to establish and maintain effective relationships and partnerships with co-workers
- Excellent communication skills (written, oral, and interpersonal) for cross-department collaboration
- Ability to prioritize competing responsibilities
- Ability to set and consistently meet deadlines and commitments
- Commitment to Catholic education and the Lasallian mission

How to Apply
