### Getting to Manhattan College

- Air Transportation
  - For those traveling from other countries, many services from major non-U.S. airlines may be handled by U.S. carriers through alliances. In the U.S., major alliance carriers are:
    - Oneworld – American Airlines
    - SkyTeam – Delta Air Lines
    - Star Alliance – United Airlines
  - New York City is served by two major international airports as well as an “in-town” airport that handles primarily domestic flights.
    - **Newark Liberty International Airport (EWR)**
      - EWR is the most convenient airport to access rail transportation to Manhattan College and is a major operational center for United Airlines.
      - Passengers arriving at Newark Liberty may take New Jersey Transit (or Amtrak, though it is more expensive) trains to New York Penn Station where they may connect to the Metropolitan Transportation Authority (MTA) subway #1 train (Uptown.) The last stop on the #1 train (Van Cortlandt Park-242<sup>nd</sup> Street) is a short walk to the dormitory and registration. One **possible** route is as follows:
        - New Jersey Transit is now mobile! Please [click here](#) to buy tickets and get real-time bus and train status at your fingertips.
        - From your arrival terminal take the Newark AirTrain to the AirTrain/EWR railroad station ([click here for pricing](#)).
        - At the EWR railroad station take the New Jersey Transit train to New York Penn Station ([click here for pricing](#)). Check schedules and fares at the [NJ Transit Trip Planner](#).

- [NJ Transit Map](#)
- At New York Penn Station purchase a MetroCard (usable on all NYC subways and buses). The NYC Metro Trip Planner can be accessed by clicking [here](#).
- Use your MetroCard to take the #1 train Uptown to the Van Cortlandt Park-242<sup>nd</sup> Street subway station.
- Manhattan College check-in is a brief walk from the subway station.
- EWR is served by numerous airlines including:

Aer Lingus	Delta	SAS
Air Canada	El Al Israel Airlines	Spirit
Air China	Elite Airways	Swiss
Air India	Emirates	TAP Portugal
Alaska Airlines	Ethiopian	United
Allegiant Air	Icelandair	Virgin Atlantic
American Airlines	JetBlue	West Jet
Austrian Airlines	La Compagnie	
British Airways	Lufthansa	
Cathay Pacific	Porter Airlines	

- **John F. Kennedy International Airport (JFK)**
  - JFK is a major international hub for Delta Air Lines and has a significant presence of other carriers, most notably American Airlines and British Airways. **JFK is not served by either Southwest or United.**
  - Buttimer participants from outside the United States may find airfares and schedules to and from JFK worth considering.
  - Travel from JFK to Manhattan College is a bit more challenging, given that there is no direct link to the MTA or to the Northeast Corridor. Having noted that, the MTA provides good service overall. One **possible** route could be:
    - From your arrival terminal take the JFK AirTrain (red line) to Jamaica Station (US \$7.75).
    - From Jamaica Station take the Long Island Railroad (LIRR) train to Penn Station (US \$10.75). The [LIRR schedules and fares](#) site may be of assistance.
    - At Penn Station purchase a MetroCard (usable on all NYC subways and buses). The NYC MTA Trip Planner can be accessed by clicking [here](#).
    - Use your MetroCard to take the #1 train Uptown to the Van Cortlandt Park-242<sup>nd</sup> Street subway station.
    - Manhattan College check-in is a brief walk from the subway station.

- It is also possible to travel from JFK to Manhattan College using just the AirTrain and the MTA subway, again check the [Trip Planner](#).
- JFK is served (either directly or through alliances) by:

Aer Lingus	Cayman Airways	LATAM
Aeromexico	China Airlines	LOT

▪ **LaGuardia Airport (LGA)**

- LGA has limited rail connections, and we do not recommend that participants use this airport if at all possible.
- LGA is a facility that primarily serves domestic destinations (though Air Canada and WestJet provide service to Canada).
- Arrival and departure delays can be more significant at LGA than at the other New York metropolitan airports.
- Construction update: With the opening of the Arrivals & Departures Hall, approximately 95% of the new Terminal B is now complete. Demolition of the original terminal and the opening of the remaining gates of the concourses will continue through 2022.

- All MTA connections to and from LGA require the use of buses, a consideration for anyone with luggage. If you wish to explore this option you may [click here to access the MTA Trip Planner](#).
- LGA is served by the following airlines:

Air Canada	Frontier	Spirit
American	JetBlue	United
Delta	Southwest	WestJet

### Getting Around New York

- For most, having a car in New York City would be problematic. Traffic issues are significant and parking in most areas of the city is limited and expensive.
- For those who will drive to and from Buttimer, parking is available in the parking garage on campus at no charge. You must request a parking permit in advance by completing a parking form that will be emailed to you after registration closes. Parking permits will be handed out at the time of check-in.
- During the middle weekend, July 2 and 3, most, if not all, will want to explore the city. The MTA (subway and bus) is efficient and fairly inexpensive. You may want to check out MTA's route planner by clicking [here](#).
- Over the summer months, subway service changes may come up unexpectedly. We encourage you prior to departing, to check the [MTA website](#) for any planned or unexpected service changes that may affect your travel to Manhattan College. Manhattan College is on the 1 line (Uptown).
- If you are using a taxi, car service, Uber or Lyft, please make sure that the driver understands that you wish to go to **Manhattan College in Riverdale (the Bronx)**. The address for Lee Hall is 4455 Manhattan College Parkway, Riverdale, NY 10471. However, taxi, car service or shared ride service drivers have difficulty finding Lee Hall. **It might be easier for drivers to find the Asian Tokyo Restaurant, located at the bottom of the stairs that lead to Lee Hall. Asian Tokyo Restaurant is located at 4685 Manhattan College Parkway.**
