

GENERAL INFORMATION FOR PARTICIPANTS

We look forward to being together in person and welcoming you to the 35th session of the Buttimer Institute of Lasallian Studies to be held June 26 – July 9, 2022, at Manhattan College. Manhattan College is within the boundaries of New York City and is easily accessible via the Van Cortlandt Park – 242nd Street, the last stop on the MTA subway. What follows is important information as you prepare for an outstanding professional and personal formation experience.

EXPECTATIONS

The Buttimer Institute is a learning and spiritual community in which participants grow and support one another not only in their Buttimer groups, but also in the larger Buttimer community. **Attendance in class, practicum sessions, Mass, prayer services and socials is expected.** Your attendance in all activities is essential to your Buttimer experience and supports members of your group, as well as members of the entire Buttimer community. **If you cannot make this commitment, please reconsider your participation in the Institute.** For these reasons, guests are only permitted to visit during the middle weekend (July 2-3, 2022) and at the end of the second week (July 8-9, 2022).

THE BUTTIMER PROGRAM SCHEDULE

Please see the draft schedule by clicking [here](#). Special elements of the program include the opening banquet and orientation (Sunday, June 26, 2022), the middle weekend during which you have time to explore and enjoy New York City (July 2-3, 2022), and a graduation Mass and closing banquet (Friday, July 8, 2022). Most days are filled with classes, followed by time for reading and study. Woven into the program is significant time for prayer and reflection, as well as opportunities for socializing and creating community.

FACULTY AND STAFF

Great care has been taken to select the faculty and staff who will guide and assist you and your fellow students throughout the course of the Buttimer Institute. **Brother John Cantwell, FSC**, and **Dr. Timothy Gossen** will teach classes for Buttimer I; **Dr. Greg Kopra** will teach classes for Buttimer II; **Brother Timothy Coldwell, FSC**, and **Brother William Mann, FSC**, will teach classes for Buttimer III.

THE PRACTICUM

A continuing component of the Buttimer Institute is the practicum, a co-curricular activity that meets four times throughout the two-week program. The practicum gathers participants from across the three Buttimer classes with similar interests in a particular field of Lasallian inquiry: Lasallian Mission Coordinators/Animators, Lasallian Presentation Resources, Lasallian Research, Young Lasallians, and Lasallian Association. You will choose one of these five groups in which to participate, and you will remain with your practicum group for three years. Updated descriptions of the practica can be located in the [Buttimer brochure](#) on pages 2-3.

ATTIRE

Definitely casual! July is the hottest month in New York, with the average high temperature 84° F/28° C and the average low temperature 68° F/19° C. Summers are generally hot and humid. A light jacket or sweatshirt might be needed for an unseasonably cool day or evening. Comfortable shoes are a necessity, as getting around campus entails some walking (New York City requires more)! Participants should wear “business casual” for the graduation Mass and closing banquet. Members of Buttimer III are encouraged to wear more formal attire for their graduation Mass and closing banquet.

HOUSING

Participants will be housed in Lee Hall. A pillow, blanket and linens will be provided. The wrapped linen packet includes a fitted sheet, top sheet, pillowcase and bath towel. Linens will be changed one time during your stay, on Friday, July 1, 2022. Participants should bring additional bath towels, washcloths or hand towels if desired, as these items are not provided by the college. The color of all linens provided by Manhattan College will be white. Therefore, if you choose to bring your own towels, etc., please bring a color other than white so you may easily differentiate the two. Please separate your personal towels from the linens that Manhattan College provides on the linen exchange day.

The residence hall does not offer accommodations like a hotel. We encourage you to bring a desk lamp and other items you may need for your room. Free washers and dryers are available on each floor for your personal laundry. Detergent will be provided. The mainly double occupancy suite-style residence hall (a few triple occupancy) is equipped with a full bathroom for each suite. Furnished lounges (TV, couches, dining tables) with a kitchenette (stovetop, microwave, sink) are located on each floor. Lee Hall is air-conditioned and has complimentary Wi-Fi.

Please keep noise to a minimum and be respectful of others, especially at night and after socials. Loud noise may disturb others who might be reading for class, enjoying quiet time or sleeping.

Upon arrival, you may check into your room beginning at 11:00 a.m. on Sunday, June 26, 2022. Departing, you must vacate your room by 1:00 p.m. on July 9, 2022.

WIRELESS INTERNET ACCESS

Complimentary Wi-Fi is available throughout campus, including in guest rooms, classrooms and the dining hall, without the need for a password.

JASPER CARDS

All Buttimer participants will receive a Jasper Card upon check-in. The Jasper Card is a non-photo ID card that will include the name of the program and the participant’s first and last name printed on the front of the card. The card allows access into the assigned residence hall and into Locke’s Loft Dining Hall. A \$10.00 fee, per occurrence, is applied for the replacement of any Jasper Card during your stay at Manhattan College. You are NOT required to return your Jasper Card at checkout.
