More details coming August 15th at lasallian.info/lasallian-women-of-hope/

The mission of Lasallian Women of Hope (LWH) is to ensure girls and women enjoy full access to Lasallian education. Beginning as a small project providing grassroots female empowerment, LWH provides sustainable solutions to mitigate obstacles impeding educational access. Through its grants, LWH delivers creative, effective, and durable solutions to educational inequities for girls and women.
