

Huether 2022 – Tips for the Registration Form

We are excited to have you join us in Baltimore for this year’s Huether Conference! To assist with the new registration model, we wanted to provide the following suggestion to assist your ministry / community in streamlining registration for the 2022 conference.

- We encourage your ministry / community to **identify and approve all attending participants before completing the registration form.**
 - Please note that the registration fee will not change based on early, regular or late registration time periods.
 - If anyone from your ministry / community submitted a breakout session proposal, she/he will be notified of the status of their breakout session proposal in mid-September. Anyone who submitted a proposal was encouraged to hold on registration until notified by Christian Brothers Conference regarding their breakout session. Accepted breakout session presenters will receive a discount code to use for a \$100.00 deduction off the full conference registration fee.

- We encourage your ministry / community to appoint a “**Huether Accompanier**” to assist in supporting the registration process from your ministry.

- This person can assist in completing the registration form for any registrants.
 - Your **first** Huether registrant from your ministry / community will be designated as **Organization Registrant A** on the form. Her/his registration fee will be \$425.00.
