

CONFERENCE INFORMATION FOR PARTICIPANTS

Please note: Attendance must be approved by your chief administrator or community director.

The Huether Lasallian Conference provides an opportunity for educators in the Lasallian Region of North America (RELAN) and beyond to come together to explore educational and spiritual issues of special interest and importance. By addressing this year's theme, "Lasallian Education Today: Integral, Spiritual, Transformational," participants will explore how we can continue building up our Lasallian educational communities while meeting the needs of those entrusted to our care. Our keynote addresses, along with our general, breakout and specialty track sessions, will bring this conference theme to life.
