Encountering Lasallian Spirituality: A Retreat

Information for Participants

Please note: Attendance must be approved by your chief administrator or community director.

Encountering Lasallian Spirituality: A Retreat provides an opportunity for Lasallians in the Lasallian Region of North America (RELAN) and beyond to gather and reflect on the enduring force of spirituality that is the Lasallian charism. Interweaving reflective retreat elements and practical sessions, *Encountering Lasallian Spirituality* will offer participants a reflective environment in which to step back from the busyness of everyday life. In deepening our connections with God, each other and De La Salle's legacy, participants will find renewal, emboldening each of us to further integrate Lasallian spirituality into our lives.
