Commissione per i Giovani

Dear Lasallians,

The Commission on Youth is pleased to announce the theme for this year's **International Lasallian Days for Peace (ILDP): "We Are Bridges for Peace: From Conflict to Connection."**

Beginning on September 21, 2025, the ILDP invite us to reflect on our role as peacemakers in a world that longs for healing and reconciliation. Inspired by this year's Lasallian Reflection, "All is Connected," we are called to recognize the deep ties that unite us as one Lasallian family and to respond with compassion, presence, and action.

Throughout the ILDP season, which runs from **September 21 to October 21**, we will share a series of weekly activities designed to foster dialogue, empathy, and engagement with the realities of conflict and peace-building in our communities. All material as well as the poster can be found in the following folder:

We are especially excited to launch this month-long journey with the upcoming edition of "**Let's Talk...Lasallian**"—a virtual conversation on peace and connection—on **September 22, 2025 from 3:00 to 4:30 PM** (Rome Time)

We warmly invite you to register and participate in this meaningful exchange.

At the International Gathering of Young Lasallians during the Youth Jubilee 2025, Br. Armin Luistro FSC reminded us of the sacredness of human connection. He shared the story of Sergio, a child whose quiet embrace spoke louder than words—a simple gesture that revealed the transformative power of presence and empathy. It is in these small, profound moments that the journey toward peace truly begins.

Following the example of Jesus and St. John Baptist de La Salle, we are invited to become bridges—connecting lives, mending divisions, and walking with others toward hope. Being a bridge for peace means listening deeply, responding to injustice, and nurturing a spirit of fraternity and service.

In a world that too often divides, may we be dreamers and doers, building a culture of peace with courage and conviction. As Br. Armin reminds us: "The world has always been shaped by dreamers."

In peace and unity,
