Brother John Johnston Award and Distinguished Lasallian Educators

La Salle
Lasallian Region of North America

Brother John Johnston Award

The Brother John Johnston, FSC Award was established by the former Regional Education Board in 2009 to recognize a lifetime of work for and service to the Institute of the Brothers of the Christian Schools and to the Lasallian Region of North America, in particular.

Named for the 25th Superior General of the Institute, this award honors individuals who, like Brother John, have made an indelible mark on the Lasallian mission through scholarly research, leadership, the written word, teaching, witnessing, evangelizing and demonstration of zeal for the mission or any combination of these and other dimensions of service to the extent that he or she has unalterably impacted the mission for the better. The Brother John Johnston, FSC Award is now presented by the Lasallian Education Council (LEC).

Distinguished Lasallian Educator Award

Dating back to 1987, Distinguished Lasallian Educator awards have been a tradition to honor Lasallians who, in ways both ordinary and extraordinary, reflect and embody the Lasallian mission to provide a human and Christian education to the young. Throughout the years, these Distinguished Lasallian Educators were chosen by their Districts in gratitude for their contributions to the mission.
